We are very excited to announce that the Riverside Local Schools has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign school forms for your student(s). The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time.

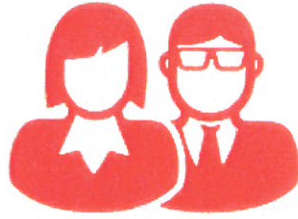

You will be asked to review your information once per school year to verify information is current and sign the forms.

Parents are required to use FinalForms. Please register at –

<https://riversidedegraff-oh.finalforms.com> -- now and electronically complete ALL forms!

Please find attached an instructional sheet to assist you in this process. If you do not have internet access, please contact the office.

Thank you for your assistance in streamlining our paperwork processes at Riverside Local Schools.
