Brian Wright

Administration

James A. Zerkle, Superintendent
Paul Carpenter, Treasurer
Mason Bryan, Elementary Principal
Scott Mann, High School Principal

New School Immunization Requirements

Effective with the 2011-2012 school year, one dose of Tdap (Tetanus, diphtheria, and pertussis) or Td (Tetanus and diphtheria) vaccine is required prior to entry into the 7th grade. These requirements are mandated by the Ohio Department of Health. Documentation of the date your child received this vaccine must be provided to the school.

All childhood vaccines are available at the Logan County Health District, 310 S. Main St., Bellefontaine. Childhood clinic hours are every Thursday 9-11, and also on the first Thursday of every month from 2-6. The cost of each vaccine is \$10, or the medical card through Job and Family Services will cover the vaccine cost. Please bring the child's up-to-date immunization record to the visit.

Call Cindy Mabrey RN at 937-592-9040, ext. 6188 with any questions.
