## Welcome Back!

What an exciting time of year it is! The first day of school is a special time for students, parents, and teachers. The first week of school is entered in the books, successfully.

The Class of 2032 will begin school on Monday. Please see the upcoming events for the specific dates for attendance.

Our picnic was another success. Those attending enjoyed selections by the High School Marching Band led by Miss Knief. We would like to thank all who attended especially those who sponsored a booth. Family-School Partnership has many more events planned this year.

Until next time, I would like to take this time to thank our parents for getting their children to school on time. 😊

**Picture Day is scheduled for August 27<sup>th</sup>! All students will have their pictures taken.**

## PTO Thank You

Our PTO does an awesome job helping staff, students, and our school communities. Recently, the PTO purchased school supplies for every elementary student. Their efforts alleviated the need to purchase expensive materials. We would like to thank the PTO board for their support. One way of showing appreciation is to get involved. Please note the next meeting.
